

Lewisboro Gas-for-Electric Lawn Equipment Exchange Campaign

Sustainability Advisory Committee

Trade in gas equipment and get \$100 off a new electric lawn tool!!!

The Town of Lewisboro is directing grant funds obtained through the NY State Energy Research and Development Authorities Clean Energy Community program to a gas lawn equipment trade-in incentive campaign. **NOW is a great time to ditch the gas can and make the switch!**

How it works

1. Bring gas-powered lawn equipment to the **Town Recycling Center** (located behind the Town House, 11 Main St, South Salem) between 9am and noon, Saturdays between 6/25 and 7/30.
2. **Empty the equipment of fluids prior to drop off.** Please make sure the machine is empty of gas and then open the oil cap and tip into a container. State law requires gas stations to take waste oil.
3. You'll receive a voucher that you can bring to the participating retailers. They will honor the voucher with a **\$100 discount** on any electric leaf blower, trimmer, or mower that they carry.
4. One (1) trade-in item per household

Participating Retailers

You may use your voucher at either of these local retailers:

475 Smith Ridge Road Route 123
South Salem, NY 10590
(914) 533-7242

Chubby's Hardware
68 Westchester Ave, Pound Ridge, NY 10576
(914) 764-512

Your Impact - A Cleaner and Quieter Neighborhood!

- | | |
|--|---|
| 1. <u>Save money! - Cheaper to Operate!</u> | 5. Reduce neighborhood noise |
| 2. Easier starts | 6. Reduce emissions |
| 3. Fewer maintenance headaches | 7. Help to transition away from fossil fuels |
| 4. No more trips to the gas station with a smelly gas can | |
