

A History of Lewisboro and Meadow Pond Elementary School

News Release Date

11-03-2017

Lewisboro Elementary School held an important place in the hearts of many of our community members for the past 74 years. A History of Lewisboro Elementary School documents the numerous changes the school and our school district have undergone during this period of time. Please take a moment and read through the history compiled by Lewisboro's own Kindergarten Assistant, Priscilla Luckow. The school closed in 2014. Several town offices currently rent space from the school district and are located in the former school.
